Spiritual Encouragement Services; Take Heart trains and equips local leaders to consistently visit Christians in their community to pray with them, encourage them, and have fellowship with them. This includes bi-monthly visits for prayers and sharing the Bible, regular spiritual days at the local churches, annual three-day spiritual retreats, home visits, summer activities, and enhancing the relationship between churches and it's congregation by bringing a new generation into the church's fold. Spiritual Leadership; Take Heart finds, trains, and equips leaders within a community who can step up to spiritually encourage their neighbors and address specific needs. Leaders are identified by partnering with the local churches who nominate a list of men and women they think would make good leaders. Take Heart holds regular meetings with local leaders to follow up on their progress and one- or two-yearly retreats for local leaders to encourage and empower them. Recently, Ignite Academy was launched in Syria and Iraq to establish a second line of leaders to equip them with the tools to lead the next generation as well as become empowered to be personally resilient. The mental and emotional effects of persecution are ongoing and often extreme. Take Heart ensures post-traumatic counseling and life coaching are given to those in need. Technical Equipping Service: Take Heart equips national leaders through organizational development training to lead their communities and churches. Take Heart implements a five-year partnership with each established program while mentoring, monitoring and evaluating progress. Take Heart comes alongside communities fruing their tauma, persectuion or/and displacement. On a case-by-case basis, Take Heart helps rebuild what was lost through a developmental approach. Ignite Academy; it is an academy for the youth who are deprived from soft skills trainings and Take Heart leaders see hope in them to be the future leaders. This six-semester course equips students to become leaders and disciples in their communities. Students learn important life skills such as understanding their purpose in life, peace and conflict resolution, and teaching effectively. Student are also trained to provide this training to others. Financial support Services: Take Heart provides grants to local leaders working to fund micro-loans for those in need of an income who are capable of launching a small business. Take Heart through partners assesses the financial status of the served families and supports those who are most in need with an income-generating activity. Activities could be small such as selling chicken and ducks, the making of shoes with a sewing machine, or using a photocopy machine. Medium-sized activities include businesses such as buying a cow for a family or providing local shipping services. Finally, our large size "mega projects" are designed to employ a large number of the community, especially women who cannot have their own individual projects and include businesses such as candle factory, sewing projects, and catering projects. Follow-up assessments are conducted with the field team regarding project results on a quarterly basis to determine the extent of success. Also Take Heart works on establishing medical services that are accessible as they are few and far in between for the poorest persecuted Christians. Take Heart Helps launch medical clinics to serve entire communities, regardless of a person's religion. Our regular bi-monthly meeting include medical education and awareness. As we care for people, Egypt is very poor and does not have access to medical assistance. Take Heart partners with the community, represented by the local church, to build a clinic based on their needs. For example, Egypt has one of the largest Hepatitis epidemics in the world, so Take Heart has funded several clinics with a special department to address the disease. Medical clinics in areas with high rates of persecution are based on three strategies: 1) To provide access to primary medical care to persecuted Christians, 2) Serve the entire community to help build harmony and reduce sectarian violence, and 3) Help

Subject: Preparation of 2019 Tax Returns

Take Heart Inc:

Thank you for choosing Kamil El-Deiry and Associates, PLLC to assist with the 2019 taxes for Take Heart Inc. This letter confirms the terms of the engagement and outlines the nature and extent of the services we will provide.

We will prepare the 2019 federal and state income tax returns for Take Heart Inc. We will depend on management to provide the information we need to prepare complete and accurate returns. We may ask management to clarify some items but will not audit or otherwise verify the data submitted.

We will perform accounting services only as needed to prepare the tax returns. Our work will not include procedures to find defalcations or other irregularities. Accordingly, our engagement should not be relied upon to disclose errors, fraud, or other illegal acts, though it may be necessary for management to clarify some of the information submitted. We will inform management of any material errors, fraud, or other illegal acts we discover.

The law imposes penalties when taxpayers underestimate their tax liability. Call us if there are any concerns about such penalties.

Should we encounter instances of unclear tax law, or of potential conflicts in the interpretation of the law, we will outline the reasonable courses of action and the risks and consequences of each. We will ultimately adopt, on the behalf of Take Heart Inc, the alternative selected by management.

Our fee is based on the time required at standard billing rates plus out-of-pocket expenses. Invoices are due and payable upon presentation. All accounts not paid within thirty (30) days are subject to interest charges to the extent permitted by state law.

We will return the original records to management at the end of this engagement. Store these records, along with all supporting documents, in a secure location. We retain copies of your records and our work papers from your engagement for up to seven years, after which these documents will be destroyed.

If management has not selected to e-file the returns with our office, management will be solely responsible to file the returns with the appropriate taxing authorities. The tax matters representative should review all tax-return documents carefully before signing them. Our engagement to prepare the 2019 tax returns will conclude with the delivery of the completed returns to management, or with e-filed returns, with the tax matters representative's signature and our subsequent submittal of the tax return.

To affirm that this letter correctly summarizes the arrangements for this work, sign the enclosed copy of this letter in the space indicated and return it to us in the envelope provided.
